

FUTURE PATHWAYS

Scotland's In Care Survivor
Support Fund

29 May, 2020

Hello,

I wanted to take the time to contact everyone who is registered with Future Pathways to let you know that we are open and committed to working with you during these challenging times.

Coronavirus has thrown up a number of extra challenges for us all. We are hearing that this can be an especially difficult time for those who are registered with us. Since the start of the pandemic our focus has been contacting our clients and helping people stay connected with people in their lives or news recognising that each person's experience during COVID-19 is individual to them.

We have had feedback that people are unclear if Future Pathways is open, other people may feel they don't want to contact us during this time even though everyone is experiencing new challenges at this time.

As Alliance Manager, I want each and every person to be able to contact us if help is needed. That's why I wanted to be in touch - to reassure everyone that we remain very much open and able to support you.

If there's anything that we can help you with, I urge you to contact your Support Coordinator or call the registration line on 0808 164 2005 and one of our team can help.

If you are not sure about getting in touch, for any reason, please email our Engagement Team at engagement@future-pathways.co.uk, or text or call 077 02 565 847. We will be more than happy to hear any worries you might have and offer reassurance.

Yours sincerely,

Flora Henderson
Alliance Manager

Apologies if you have received more than one copy of this letter, data sharing laws do not permit de-duplication of multiple organisations' lists.

Future Pathways

Future Pathways is funded by the Scottish Government and managed by a partnership of Health in Mind, Penumbra, NHS Greater Glasgow and Clyde (The Anchor) and the Mental Health Foundation.
